JANUS PROTOCOL

A Complete Municipal Solvency Pilot

Public Domain Release • December 2025

Six interlocking documents:

Executive Summary & Investment Thesis
Pilot Design & ROI Model – Jefferson County Demo
Consortium Market Recognition Agreement (CMRA)
Post-Sovereign Architecture (Social Dividend & Governance)
Genesis Block & Technical Core Lock (TCL)
Risk Register & Operational Playbook

Purpose

Resolve unfunded pension liabilities immediately, guarantee perpetual infrastructure maintenance via smart-contract waterfall (UPCC), and fund a privacy-preserving universal basic dividend (UBD) from efficiency gains. No new taxes. No coercion. Fully specified and ready for county-level pilot.

All documents below are 100% public domain. No team, no token sale, no private placement. Seeking the first county executive willing to sign the Genesis Structural Dependency Contract (SDC).
